## FOR IMMEDIATE RELEASE

**December 13, 2016**

### **Kewaunee County Starts Snowmaking Process at Winter Park**

KEWAUNEE, WI – The snow guns have been put into place, the temperature is just right and Kewaunee County Promotion & Recreation staff has begun the snowmaking process at Winter Park, N3751 Ransom Moore Lane, Kewaunee.

The process typically takes up to two weeks to complete, before Winter Park can officially open to skiers, snowboarders and snow tubers. "Mother Nature decides when we can start making snow. It's important that we have a nice streak of cooler temperatures to get an adequate amount of snow on the hills," said Dave Myers, Kewaunee County Promotion & Recreation Director.

Winter Park consists of six tubing lanes and six skiing/snowboarding runs, including a brand new beginner-friendly hill. There's also a heated chalet for visitors to warm up and a concessions stand, offering a variety of items to snack on.

"The opening of Winter Park is something that people from across northeast Wisconsin and beyond look forward to every year. It attracts thousands of visitors to Kewaunee County each season and we're happy to have them," said Jennifer Schneider, Kewaunee County Tourism Coordinator/Public Information Officer.
